Landscape Consultation & Estimates***

Onsite Consultations

A member of the JHS Landscape Design Team will visit your property to discuss landscape ideas, take measurements and assess irrigation, lighting and soil conditions. Billing for these consultations shall include travel time for our staff at the rate of \$75.00 per hour.

Couch Consultations

Prospective Landscape Design Clients may visit us at Johnson Gardens, Gifts & Interiors and sit down with a member of the Landscape Design Team to discuss landscape ideas. We ask that clients who choose to have a Couch Consultation come prepared with photographs of the area to be landscaped, pertinent measurements, information regarding irrigation, lighting and soil conditions. New landscape design clients may request a Couch Consultation via walk-in, however during peak business hours and season we do ask that prospective clients make an appointment. Rate is \$75.00 per hour.

Landscape Design Drafting

After an appointment is held with the prospective client, a member of the Landscape Design Team will draft a landscape design agreeable to the client and suitable to the property. Time spent drafting the landscape design will be billed at \$75.00 per hour.

Plant Sourcing

We strive to maintain our nursery stock such that any and all plants needed in a landscape design are on hand. However due to the seasonality of our industry, a special order may be required in order to satisfy a specific landscape design. A deposit of 50% is required prior to placement of special orders.
